Whether it's riding your mountain bike offroad or climbing the passes on your racing bike – we are ideally positioned for a few days in the saddle. With our varied kitchen and our sun terrace we offer the perfect post-workout relaxation and close-to-nature atmosphere to really get away from the daily grind.

### **Package per room and night, 2 adults from CHF 200**

Including half-board, excluding taxes

On request, we are happy to prepare your pack lunch (CHF 15 per person) and organise your excursion tickets so that you can completely relax in the Swiss mountains.

We obviously have a covered, lockable parking spot for your bike.

Offer valid until 30th September 2020.

Please contact us directly for bookings.

We are looking forward to welcoming you!
